#### LEGISLATIVE COUNSEL'S DIGEST

SB 1186, as amended, Steinberg. Disability access.

(1) Existing law requires an attorney to provide a written advisory to a building owner or tenant with each demand for money or complaint

for any construction-related accessibility claim, as specified. A violation of this requirement may subject the attorney to disciplinary action.

This bill would, instead, require an attorney to provide a written advisory with each demand letter or complaint, as defined, sent to or served upon a defendant or potential defendant for any construction-related accessibility claim, as specified. The bill would require the Judicial Council to update the form that may be used by attorneys to comply with this requirement on or before July 1, 2013. The bill would require an allegation of a construction-related accessibility claim in a demand letter, ~~or any allegation of noncompliance with a construction-related accessibility standard in a~~ or complaint; to state facts sufficient to allow ~~the defendant~~ *a reasonable person* to identify the basis for the claim. ~~The bill would require any complaint alleging a construction-related accessibility claim to be verified by the plaintiff, and would make any complaint filed without verification subject to a motion to strike.~~ The bill would prohibit a demand letter from including a request or demand for money or an offer or agreement to accept money. The bill also would prohibit an attorney, or other person *acting at the direction of an attorney*, from issuing a demand for money to a building owner or tenant, or an authorized agent or employee of a building owner or tenant, on the basis of one or more construction-related accessibility violations, as specified. The bill would require an attorney to include his or her State Bar license number in a demand letter, and to submit copies of the demand letter to the California Commission on Disability Access and, until January 1, 2016, to the State Bar. The bill also would require, until January 1, 2016, an attorney to submit a copy of a complaint to the commission. The bill would provide that a violation of these requirements may subject the attorney to disciplinary action, *as specified*.

This bill would require the commission to review and report on the demand letters and complaints it receives until January 1, 2016. The bill also would require the State Bar, commencing July 31, 2013, and annually each July 31 thereafter, to report specified information to the Legislature regarding the demand letters that it receives.

(2) Existing law provides, upon being served with a summons and complaint asserting a construction-related accessibility claim, a qualified defendant, as defined, may file a request for a court stay and early evaluation conference in the proceedings, as specified. Existing law requires the Judicial Council to prepare and post on its Internet Web site instructions and a form for a qualified defendant to use to file an

application for stay and early evaluation conference pursuant to this provision.

This bill would permit other defendants to file a request for a court stay and early evaluation conference pursuant to this provision, including (A) a defendant, until January 1, 2018, whose site's new construction or improvement on or after January 1, 2008, and before January 1, 2016, was approved pursuant to the local building permit and inspection process, (B) a defendant whose site's new construction or improvement was approved by a local public building department inspector who is a certified access specialist, and (C) a defendant who is a small business, as described. The bill would require the Judicial Council to ~~modify the form that may be used by~~ *prepare and post a form for filing an application for stay and early evaluation conference for use by qualified defendants and these additional defendants to apply for a court stay and early evaluation, and any additional forms appropriate to implement these provisions*, as specified. The bill also would authorize a defendant who does not qualify for an early evaluation conference pursuant to these provisions, or who forgoes those provisions, to request a mandatory evaluation conference, as specified. The bill would authorize a plaintiff to make that request if the defendant does not make that request.

(3) Existing law provides statutory damages in a construction-related accessibility claim against a place of public accommodation if a violation of construction-related accessibility standards denied the plaintiff full and equal access to that site on a particular occasion. A plaintiff is denied full and equal access only if, on a particular occasion, the plaintiff personally encountered the violation or was deterred from accessing the site. These statutory damages are in the amount of actual damages and any additional amount determined by a jury or the court up to a maximum of 3 times the amount of actual damages but not less than \$4,000, or, for certain violations, \$1,000.

This bill would require the court, in assessing liability in any action alleging multiple claims for the same construction-related accessibility violation on different particular occasions, to consider the reasonableness of the plaintiff's conduct in light of the plaintiff's obligation, if any, to mitigate damages. The bill would reduce a defendant's minimum liability for statutory damages in a construction-related accessibility claim against a place of public accommodation to \$1,000 for each offense if the defendant has corrected all construction-related violations that are the basis of the claim within 60 days of being served with the

complaint and other specified conditions apply, and would reduce that minimum liability to \$2,000 for each offense if the defendant has corrected all construction-related violations that are the basis of the claim within 30 days of being served with the complaint and the defendant is a small business, as specified. The bill would require the Department of General Services to make a biannual adjustment to financial criteria defining a small business for these purposes, and to post those adjusted amounts on its Internet Web site.

(4) Existing law requires the State Architect to develop and submit for approval and adoption building standards for making buildings, structures, sidewalks, curbs, and related facilities accessible to, and usable by, persons with disabilities, as specified. Existing law provides for the inspection of places of public accommodation by certified access specialists to determine if the sites meet all applicable construction-related accessibility standards, and the provision of specified certificates and reports regarding those inspections. Existing law regulates the hiring of real property.

This bill would require a commercial property owner to state on a lease form or rental agreement executed on or after July 1, 2013, if the property being leased or rented has undergone inspection by a certified access specialist.

(5) The federal Americans with Disabilities Act of 1990 and the California Building Standards Code require that specified buildings, structures, and facilities be accessible to, and usable by, persons with disabilities. Existing law establishes in the Department of General Services, the Division of the State Architect with responsibilities relating to architectural services, state buildings, and disability access. Existing law requires the State Architect to establish a certified access specialist program for voluntary certification by the state of any person who meets specified criteria as a certified access specialist. Existing law authorizes the State Architect to require applicants for certification and renewal of certification under the certified access specialist program to pay specified fees, including an application fee, a course fee, and an examination fee, at a level sufficient to meet the costs of administering the program, for deposit into the Certified Access Specialist Fund.

In administering the certified access specialist program, this bill would require the State Architect to periodically review its schedule of fees for certification under the program to ensure that the fees are not excessive. The bill would prohibit the State Architect from charging a California licensed architect, landscape architect, civil engineer, or

structural engineer, an application fee for certification that exceeds \$250.

This bill would impose, on and after January 1, 2013, and until December 31, 2018, an additional state fee of \$1 on any applicant for a local business license or ~~similar~~ *equivalent* instrument or permit, or renewal thereof, for purposes of increasing disability access and compliance with construction-related accessibility requirements and developing educational resources for businesses to facilitate compliance with federal and state disability laws, as specified. The bill would divide those moneys for the state between the local entity that collected the moneys and the Division of the State Architect, pursuant to specified percentages. The bill would create a continuously appropriated fund, the Disability Access and Education Revolving Fund, for the deposit of funds to be transferred to the Division of the State Architect, thereby making an appropriation. This bill would make an appropriation by authorizing local government entities to retain 70% of the fees imposed.

By adding to the duties of a local entity, this bill would impose a state-mandated local program.

(6) Existing law establishes the California Commission on Disability Access for purposes of developing recommendations to enable persons with disabilities to exercise their right to full and equal access to public facilities and facilitating business compliance with the laws and regulations to avoid unnecessary litigation. Existing law sets forth the powers and duties of the commission, as specified. Existing law requires the commission to study and make reports to the Legislature regarding disability access laws and compliance, as specified. Existing law requires the commission to act as an information center on the status of compliance with disability access laws, to publish a biennial report, and to coordinate with other state agencies and local building departments to ensure the uniformity of information provided to the public on disability access.

This bill would revise and recast those duties and powers, as specified, and eliminate the biennial reporting requirement. The bill would instead provide that a priority of the commission shall be the development and dissemination of educational materials and information to promote and facilitate disability access compliance, including a requirement that the commission work with the Division of the State Architect and the Department of Rehabilitation to develop educational materials for use by businesses. The bill would require the commission to post specified information on its Internet Web site, including, but not limited to,

educational materials and information that will assist business owners. The bill would require the commission to report to the Legislature on its implementation by a specified date. The bill would require the commission to compile data with respect to any demand letter or complaint sent to the commission and post that information on its Internet Web site.

*(7) Existing law, the California Building Standards Law, requires a state agency responsible for the adoption of building standards to submit its standards to the California Building Standards Commission for review and approval, subject to specified procedures and a triennial code adoption cycle. Existing law requires the commission to codify and publish approved standards in the California Building Code, as set forth in Title 24 of the California Code of Regulations. Existing law provides that building standards become effective 180 days after its publication, as specified.*

*This bill would provide, for the purpose of an alleged violation of a construction-related accessibility standard, that upon publication of the 2013 California Building Standards Code, but prior to its effective date, as specified, compliance with the building standards for disabled accessibility in the 2013 California Building Standards Code is authorized as an alternative method of compliance.*

~~(7)~~

(8) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

~~(8)~~

(9) This bill would declare that it is to take effect immediately as an urgency statute.

Vote:  $\frac{2}{3}$ . Appropriation: yes. Fiscal committee: yes.  
State-mandated local program: yes.

*The people of the State of California do enact as follows:*

STATE LAW REQUIRES THAT YOU GET THIS  
IMPORTANT ADVISORY INFORMATION FOR BUILDING  
OWNERS AND TENANTS

This information is available in English, Spanish, Chinese, Vietnamese, and Korean through the Judicial Council of California.

1 Persons with visual impairments can get assistance in viewing this  
2 form through the Judicial Council Internet Web site at  
3 [www.courts.ca.gov](http://www.courts.ca.gov).

4 California law requires that you receive this information because  
5 the demand letter or court complaint you received with this  
6 document claims that your building or property does not comply  
7 with one or more existing construction-related accessibility laws  
8 or regulations protecting the civil rights of persons with disabilities  
9 to access public places.

10 YOU HAVE IMPORTANT LEGAL OBLIGATIONS.  
11 Compliance with disability access laws is a serious and significant  
12 responsibility that applies to all California building owners and  
13 tenants with buildings open for business to the public. You may  
14 obtain information about your legal obligations and how to comply  
15 with disability access laws through the Division of the State  
16 Architect at [www.dgs.ca.gov](http://www.dgs.ca.gov). Information is also available from  
17 the California Commission on Disability Access at  
18 [www.cdda.ca.gov/guide.htm](http://www.cdda.ca.gov/guide.htm).

19 YOU HAVE IMPORTANT LEGAL RIGHTS. The allegations  
20 made in the accompanying demand letter or court complaint do  
21 not mean that you are required to pay any money unless and until  
22 a court finds you liable. Moreover, RECEIPT OF A DEMAND  
23 LETTER OR COURT COMPLAINT AND THIS ADVISORY  
24 DOES NOT NECESSARILY MEAN YOU WILL BE FOUND  
25 LIABLE FOR ANYTHING. You will have the right if you are  
26 later sued to fully present your explanation why you believe you  
27 have not in fact violated disability access laws or have corrected  
28 the violation or violations giving rise to the claim.

29 You have the right to seek assistance or advice about this demand  
30 letter or court complaint from any person of your choice. If you  
31 have insurance, you may also wish to contact your insurance  
32 provider. Your best interest may be served by seeking legal advice  
33 or representation from an attorney, but you may also represent  
34 yourself and file the necessary court papers to protect your interests  
35 if you are served with a court complaint. ~~If you choose to hire~~ *have*  
36 *hired* an attorney to represent you, ~~the attorney who sent you the~~  
37 ~~demand letter or complaint is prohibited from contacting you~~  
38 ~~further unless your attorney has given the other attorney permission~~  
39 ~~to contact you. If the other attorney does try to contact you, you~~  
40 should immediately notify your attorney.

1 If a court complaint has been filed and served on you, you will  
2 get a separate advisory notice with the complaint advising you of  
3 special options and procedures available to you if your property  
4 has been inspected by a Certified Access Specialist (an individual  
5 with specialized expertise to assist in compliance with disability  
6 access laws, known as a CASp; see  
7 [www.dgs.ca.gov/dsa/Programs/programCert/casp.aspx](http://www.dgs.ca.gov/dsa/Programs/programCert/casp.aspx)). In  
8 addition, you may also be entitled to a court stay and early  
9 evaluation conference if your business is a small business that  
10 meets specified financial criteria and employs 25 or fewer  
11 employees on average over a certain time period and you did not  
12 make any modification or alteration that created the condition  
13 constituting the violation, or, alternatively, if the site's new  
14 construction or improvement was approved pursuant to the local  
15 building permit and inspection process on or after January 1, 2008,  
16 and before January 1, 2016, and to the best of your knowledge  
17 there have been no modifications or alterations that impacted  
18 compliance with construction-related accessibility standards with  
19 respect to the plaintiff's claim *under certain conditions*.

20 ADDITIONAL THINGS YOU SHOULD KNOW: If the  
21 document accompanying this notice is a demand letter from a  
22 lawyer and not a formal court complaint, the lawyer is *generally*  
23 required by law to also provide a copy of it to the State Bar of  
24 California, *until January 1, 2016*, in order that the State Bar may  
25 determine whether the demand letter complies with legal  
26 requirements, INCLUDING THAT THE DEMAND LETTER  
27 MAY NOT MAKE A REQUEST OR DEMAND FOR MONEY  
28 OR AN OFFER OR AGREEMENT TO ACCEPT MONEY. Any  
29 demand letter or court complaint must list the lawyer's State Bar  
30 license number on the document.

31 You are encouraged, but are not required, to provide the State  
32 Bar with a copy of the demand letter so the State Bar is aware that  
33 you received this demand letter and may determine whether it is  
34 in compliance with specified legal requirements. A copy of the  
35 letter can be sent to the State Bar by facsimile transmission to  
36 1-415-538-2171, or by mail to the State Bar of California, 180  
37 Howard Street, San Francisco, CA, 94105, Attention: Professional  
38 Competence.  
39

(c) On or before July 1, 2013, the Judicial Council shall update the form that may be used by attorneys to comply with the requirements of subdivision (b). The form shall be in substantially the same format and include all of the text set forth in subdivision (b). The form shall be available in English, Spanish, Chinese, Vietnamese, and Korean, and shall include a statement that the form is available in additional languages, and the Judicial Council Internet Web site address where the different versions of the form may be located. The form shall include Internet Web site information for the Division of the State Architect and the California Commission on Disability Access.

(d) Subdivision (b) shall apply only to a demand letter or complaint made by an attorney. Nothing in this section is intended to affect the right to file a civil complaint under any other law or regulation protecting the physical access rights of persons with disabilities. Additionally, nothing in this section requires a party acting in propria persona to provide or send a demand letter to another party before proceeding against that party with a civil complaint.

(e) This section shall not apply to any action brought by the Attorney General, or by any district attorney, city attorney, or county counsel.

SEC. 4. Section 55.31 is added to the Civil Code, to read:

55.31. (a) ~~An allegation of~~ *Commencing January 1, 2013, a demand letter alleging a construction-related accessibility claim in a demand letter*, as defined in subdivision (a) of Section 55.3, shall state facts sufficient to allow ~~the defendant~~ *a reasonable person* to identify the basis ~~for~~ *of* the violation or violations supporting the claim, including all of the following:

(1) ~~An~~ *A plain language* explanation of the specific access barrier or barriers the individual encountered, or by which the individual alleges he or she was deterred, with sufficient information about the location of the barrier to ~~reasonably enable the defendant~~ *enable a reasonable person* to identify the access barrier.

(2) ~~The manner~~ *way* in which the barrier ~~was~~ encountered *interfered with the individual's full and equal use or access*, or in which it deterred the individual, *on each particular occasion*.

1 (3) The date or dates *of each particular occasion* on which the  
2 individual encountered the specific access barrier, or on which he  
3 or she was deterred.

4 (b) A demand letter may offer prelitigation settlement  
5 negotiations, but shall not include a request or demand for money  
6 or an offer or agreement to accept money.

7 (1) With respect to potential monetary damages for an alleged  
8 construction-related accessibility claim or claims, a demand letter  
9 shall not state any specific potential monetary liability for any  
10 asserted claim or claims, and may only state: “The property owner  
11 or tenant, or both, may be civilly liable for actual and statutory  
12 damages for a violation of a construction-related accessibility  
13 requirement.”

14 (2) ~~A~~ *Notwithstanding any other law*, a demand letter meeting  
15 the requirements of this section shall be deemed to satisfy the  
16 requirements for prelitigation notice of a potential claim when  
17 prelitigation notice is required by statute or common law for an  
18 award of attorney’s fees.

19 (3) This subdivision and subdivision (a) do not apply to a  
20 demand for money, which is governed by subdivision (c).

21 (c) An attorney, or *a person acting at the direction of an*  
22 *attorney*, shall not issue a demand for money as defined in  
23 subdivision (a) of Section 55.3. This subdivision does not apply  
24 to a demand letter as defined in subdivision (a) of Section 55.3.

25 (d) (1) A violation of subdivision (b) or (c) constitutes cause  
26 for the imposition of discipline of an attorney. Subdivisions (b)  
27 and (c) do not prohibit an attorney from presenting a settlement  
28 figure or specification of damages in response to a request from  
29 the building owner or tenant, or the owner’s or tenant’s authorized  
30 agent or employee, following a demand letter provided pursuant  
31 to Section 55.3.

32 (2) *Any liability for a violation of subdivision (c) is as provided*  
33 *in paragraph (1) of this subdivision. A violation of subdivision (c)*  
34 *does not create a new cause of action.*

35 (e) Subdivision (c) does not prohibit any prelitigation settlement  
36 discussion of liability for damages and attorney’s fees that occurs  
37 after a written or oral agreement is reached between the parties for  
38 the repair or correction of the alleged violation or violations of a  
39 construction-related accessibility standard.

1 (f) Subdivision (c) shall not apply to a claim involving physical  
2 injury and resulting special damages, but a demand for money  
3 relating to that claim that is sent shall otherwise comply with the  
4 requirements of subdivision (a) and Section 55.32.

5 (g) Nothing in this section shall apply to a demand or statement  
6 of alleged damages made in a prelitigation claim presented to a  
7 governmental entity as required by state or federal law, including,  
8 but not limited to, claims made under Part 3 (commencing with  
9 Section 900) of Division 3.6 of the Government Code.

10 (h) If subdivision (c) is not operative or becomes inoperative  
11 for any reason, the requirements of subdivision (a) and Section  
12 55.32 shall apply to any written demand for money.

13 SEC. 5. Section 55.32 is added to the Civil Code, to read:

14 55.32. (a) An attorney who provides a demand letter, as defined  
15 in subdivision (a) of Section 55.3, shall do all of the following:

16 (1) Include the attorney's State Bar license number in the  
17 demand letter.

18 (2) Contemporaneously with providing the demand letter, send  
19 a copy of the demand letter to the State Bar of California by  
20 facsimile transmission at 1-415-538-2171, or by mail to 180  
21 Howard Street, San Francisco, CA, 94105, Attention: Professional  
22 Competence.

23 (3) Within five business days of providing the demand letter,  
24 send a copy of the demand letter to the California Commission on  
25 Disability Access.

26 (b) An attorney who sends or serves a complaint, as defined in  
27 subdivision (a) of Section 55.3, shall send a copy of the complaint  
28 to the California Commission on Disability Access within five  
29 business days of sending or serving the complaint.

30 (c) A violation of paragraph (2) or (3) of subdivision (a) or  
31 subdivision (b) shall constitute cause for the imposition of  
32 discipline of an attorney where a copy of the complaint or demand  
33 letter is not sent to the California Commission on Disability Access  
34 within five business days, or a copy of the demand letter is not  
35 sent to the State Bar within five business days. In the event the  
36 State Bar receives information indicating that an attorney has failed  
37 to send a copy of the complaint or demand letter to the California  
38 Commission on Disability Access within five business days, the  
39 State Bar shall investigate to determine whether paragraph (3) of  
40 subdivision (a) or subdivision (b) has been violated.

1     ~~(d) Notwithstanding subdivisions (a) and (b), an attorney is not~~  
2     ~~required to send to the State Bar of California or the California~~  
3     ~~Commission on Disability Access a copy of any subsequent demand~~  
4     ~~letter or amended complaint in the same dispute following the~~  
5     ~~initial demand letter or complaint, unless that subsequent demand~~  
6     ~~letter or amended complaint alleges a new construction-related~~  
7     ~~accessibility claim.~~

8     ~~(d)~~

9     (e) A demand letter or complaint sent to the California  
10    Commission on Disability Access shall be for the informational  
11    purposes of Section 8299.08 of the Government Code. A demand  
12    letter received by the State Bar from either the sender or recipient  
13    of the demand letter shall be reviewed by the State Bar to determine  
14    whether subdivision (b) or (c) of Section 55.31 has been violated.

15    ~~(e)~~

16    (f) (1) Commencing July 31, 2013, and annually each July 31

18 (j) This section shall become operative on January 1, 2016.

19 SEC. 7. Section 55.52 of the Civil Code is amended to read:

20 55.52. (a) For purposes of this part, the following definitions  
21 apply:

22 (1) “Construction-related accessibility claim” means any civil  
23 claim in a civil action with respect to a place of public  
24 accommodation, including, but not limited to, a claim brought  
25 under Section 51, 54, 54.1, or 55, based wholly or in part on an  
26 alleged violation of any construction-related accessibility standard,  
27 as defined in paragraph (6).

28 (2) “Application for stay and early evaluation conference” means  
29 an application to be filed with the court that meets the requirements  
30 of subdivision (c) of Section 55.54.

31 (3) “Certified access specialist” or “CASp” means any person  
32 who has been certified pursuant to Section 4459.5 of the  
33 Government Code.

34 (4) “Meets applicable standards” means the site was inspected  
35 by a CASp and determined to meet all applicable  
36 construction-related accessibility standards pursuant to paragraph  
37 (1) of subdivision (a) of Section 55.53. A site that is “CASp  
38 inspected” on or before the effective date of the amendments made  
39 to this section by Senate Bill 1186 of the 2011–12 Regular Session  
40 of the Legislature means that the site “meets applicable standards.”

(5) “Inspected by a CASp” means the site was inspected by a CASp and is pending a determination by the CASp that the site meets applicable construction-related accessibility standards pursuant to paragraph (2) of subdivision (a) of Section 55.53. A site that is “CASp determination pending” on or before the effective date of the amendments made to this section by Senate Bill 1186 of the 2011–12 Regular Session of the Legislature means that the site was “inspected by a CASp.”

(6) “Construction-related accessibility standard” means a provision, standard, or regulation under state or federal law requiring compliance with standards for making new construction and existing facilities accessible to persons with disabilities, including, but not limited to, any provision, standard, or regulation set forth in Section 51, 54, 54.1, or 55 of this code, Section 19955.5 of the Health and Safety Code, the California Building Standards Code (Title 24 of the California Code of Regulations), the federal Americans with Disabilities Act of 1990 (Public Law 101-336; 42 U.S.C. Sec. 12101 et seq.), and the federal Americans with Disabilities Act Accessibility Guidelines (Appendix A to Part 36 of Title 28 of the Code of Federal Regulations).

(7) “Place of public accommodation” has the same meaning as “public accommodation,” as set forth in Section 12181(7) of Title 42 of the United States Code and the federal regulations adopted pursuant to that section.

(8) “Qualified defendant” means a defendant in an action that includes a construction-related accessibility claim that is asserted against a place of public accommodation that met the requirements of “meets applicable standards” or “inspected by a CASp” prior to the date the defendant was served with the summons and complaint in that action. To be a qualified defendant, the defendant is not required to have been the party who hired any CASp, so long as the basis of the alleged liability of the defendant is a construction-related accessibility claim. To determine whether a defendant is a qualified defendant, the court need not make a finding that the place of public accommodation complies with all applicable construction-related accessibility standards as a matter of law. The court need only determine that the place of public accommodation has a status of “meets applicable standards” or “inspected by a CASp.”

(9) “Site” means a place of public accommodation.

(b) Unless otherwise indicated, terms used in this part relating to civil procedure have the same meanings that those terms have in the Code of Civil Procedure.

SEC. 8. Section 55.53 of the Civil Code is amended to read:

55.53. (a) For purposes of this part, a certified access specialist shall, upon completion of the inspection of a site, comply with the following:

(1) For a meets applicable standards site, if the CASp determines the site meets all applicable construction-related accessibility standards, the CASp shall provide a written inspection report to the requesting party that includes both of the following:

(A) An identification and description of the inspected structures and areas of the site.

(B) A signed and dated statement that includes both of the following:

(i) A statement that, in the opinion of the CASp, the inspected structures and areas of the site meet construction-related accessibility standards. The statement shall clearly indicate whether the determination of the CASp includes an assessment of readily achievable barrier removal.

(ii) If corrections were made as a result of the CASp inspection, an itemized list of all corrections and dates of completion.

(2) For an inspected by a CASp site, if the CASp determines that corrections are needed to the site in order for the site to meet all applicable construction-related accessibility standards, the CASp shall provide a signed and dated written inspection report to the requesting party that includes all of the following:

(A) An identification and description of the inspected structures and areas of the site.

(B) A statement that, in the opinion of the CASp, the inspected structures and areas of the site need correction to meet construction-related accessibility standards. This statement shall clearly indicate whether the determination of the CASp includes an assessment of readily achievable barrier removal.

(C) An identification and description of the structures or areas of the site that need correction and the correction needed.

(D) A schedule of completion for each of the corrections within a reasonable timeframe.

(b) For purposes of this section, in determining whether the site meets applicable construction-related accessibility standards when

1 there is a conflict or difference between a state and federal  
2 provision, standard, or regulation, the state provision, standard, or  
3 regulation shall apply unless the federal provision, standard, or  
4 regulation is more protective of accessibility rights.

5 (c) Every CASp who conducts an inspection of a place of public  
6 accommodation shall, upon completing the inspection of the site,  
7 provide the building owner or tenant who requested the inspection  
8 with the following notice, which the State Architect shall make

35 Any revenues generated from an hourly or other charge or fee

37 costs incurred to comply with this subdivision. A CASp inspection  
38 pursuant to subdivision (a) by a building inspector who is a  
39 certified access specialist shall be treated equally for legal and  
40 evidentiary purposes as an inspection conducted by a private CASp.

1 Nothing in this subdivision shall preclude permit applicants or any  
2 other person with a legal interest in the property from retaining a  
3 private CASp at any time.

4 (e) (1) Every CASp who completes an inspection of a place of  
5 public accommodation shall, upon a determination that the site

34 You may file the application after you are served with a  
35 summons and complaint, but no later than your first court  
36 pleading or appearance in this case, which is due within 30  
37 days after you receive the summons and complaint. If you do  
38 not file the application, you will still need to file your reply

24 55.56. (a) Statutory damages under either subdivision (a) of  
25 Section 52 or subdivision (a) of Section 54.3 may be recovered in  
26 a construction-related accessibility claim against a place of public  
27 accommodation only if a violation or violations of one or more  
28 construction-related accessibility standards denied the plaintiff  
29 full and equal access to the place of public accommodation on a  
30 particular occasion.

31 (b) A plaintiff is denied full and equal access only if the plaintiff  
32 personally encountered the violation on a particular occasion, or  
33 the plaintiff was deterred from accessing a place of public  
34 accommodation on a particular occasion.

35 (c) A violation personally encountered by a plaintiff may be  
36 sufficient to cause a denial of full and equal access if the plaintiff  
37 experienced difficulty, discomfort, or embarrassment because of  
38 the violation.

1 (d) A plaintiff demonstrates that he or she was deterred from  
2 accessing a place of public accommodation on a particular occasion  
3 only if both of the following apply:

4 (1) The plaintiff had actual knowledge of a violation or

6 accessing a place of public accommodation that the plaintiff  
7 intended to use on a particular occasion.

8 (2) The violation or violations would have actually denied the  
9 plaintiff full and equal access if the plaintiff had accessed the place  
10 of public accommodation on that particular occasion.

11 (e) Statutory damages may be assessed pursuant to subdivision  
12 (a) based on each particular occasion that the plaintiff was denied  
13 full and equal access, and not upon the number of violations of  
14 construction-related accessibility standards identified at the place  
15 of public accommodation where the denial of full and equal access  
16 occurred. If the place of public accommodation consists of distinct  
17 facilities that offer distinct services, statutory damages may be  
18 assessed based on each denial of full and equal access to the distinct  
19 facility, and not upon the number of violations of  
20 construction-related accessibility standards identified at the place  
21 of public accommodation where the denial of full and equal access  
22 occurred.

23 (f) (1) Notwithstanding any other law, a defendant's liability  
24 for statutory damages in a construction-related accessibility claim  
25 against a place of public accommodation is reduced to a minimum

33 or alterations that impacted compliance with construction-related  
34 accessibility standards with respect to the ~~plaintiff~~ *plaintiff's claim*  
35 that were completed or commenced between the date of that  
36 determination and the particular occasion on which the plaintiff  
37 was allegedly denied full and equal access.

38 (B) The structure or area of the alleged violation was the subject  
39 of an inspection report indicating "CASp determination pending"  
40 or "Inspected by a CASp," and the defendant has either

1 implemented reasonable measures to correct the alleged violation  
2 prior to the particular occasion on which the plaintiff was allegedly  
3 denied full and equal access, or the defendant was in the process  
4 of correcting the alleged violation within a reasonable time and  
5 manner prior to the particular occasion on which the plaintiff was  
6 allegedly denied full and equal access.

7 (C) For a claim alleging a construction-related accessibility  
8 violation filed before January 1, 2018, the structure or area of the  
9 alleged violation was a new construction or an improvement that  
10 was approved by, and passed inspection by, the local building  
11 department permit and inspection process on or after January 1,  
12 2008, and before January 1, 2016, and, to the best of the  
13 defendant's knowledge, there were no modifications or alterations  
14 that impacted compliance with respect to the ~~plaintiff~~ *plaintiff's*  
15 *claim* that were completed or commenced between the completion  
16 date of the new construction or improvement and the particular  
17 occasion on which the plaintiff was allegedly denied full and equal  
18 access.

19 (D) The structure or area of the alleged violation was ~~newly~~  
20 ~~constructed or improved and~~ *new construction or an improvement*  
21 *that was approved by, and* passed inspection by a local building  
22 department official who is a certified access specialist, and, to the  
23 best of the defendant's knowledge, there were no modifications  
24 or alterations that affected compliance with respect to the ~~plaintiff~~  
25 *plaintiff's claim* that were completed or commenced between the  
26 completion date of the new construction or improvement and the  
27 particular occasion on which the plaintiff was allegedly denied  
28 full and equal access.

29 (2) Notwithstanding any other law, a defendant's liability for  
30 statutory damages in a construction-related accessibility claim  
31 against a place of public accommodation is reduced to a minimum  
32 of two thousand dollars (\$2,000) for each offense if *the defendant*  
33 *demonstrates* both of the following ~~apply~~:

34 (A) The defendant has corrected all construction-related  
35 violations that are the basis of a claim within 30 days of being  
36 served with the complaint.

3 previous three years, or for the years it has been in existence if  
4 less than three years, as evidenced by federal or state income tax  
5 returns. The average annual gross receipts dollar amount shall be  
6 adjusted biannually by the Department of General Services for  
7 changes in the California Consumer Price Index for All Urban  
8 Consumers, as compiled by the Department of Industrial Relations.  
9 The Department of General Services shall post that adjusted  
10 amount on its Internet Web site.

11 ~~(3) Paragraph (2) shall not apply if the defendant made~~  
12 ~~modifications or alterations to the property that created the~~  
13 ~~condition constituting the violation.~~

14 ~~(4)~~

15 (3) This subdivision shall not be applicable to intentional  
16 violations, including, but not limited to, where the defendant had  
17 knowledge of the alleged violation from a prior notice or demand  
18 letter from the plaintiff or plaintiff's attorney, but failed to act in  
19 a reasonable time and manner.

31 standards, nor alter any legal obligation of a party to mitigate  
32 damages.

33 (h) In assessing liability under subdivision (d), in any action  
34 alleging multiple claims for the same construction-related  
35 accessibility violation on different particular occasions, the court  
36 shall consider the reasonableness of the plaintiff's conduct in light  
37 of the plaintiff's obligation, if any, to mitigate damages.

27 (c) The commission shall develop and make available on its

33 construction-related violations, by type, as specified in subdivision  
34 (a) of Section 8299.08. Upon completion of this requirement, the

SEC. 21. Section 8299.08 of the Government Code is repealed.

SEC. 22. Section 8299.08 is added to the Government Code, to read:

8299.08. The commission shall compile the following data with respect to any demand letter or complaint sent to the commission pursuant to Section 53.32 of the Civil Code and post the information on its Internet Web site, pursuant to the following:

(a) The commission shall identify the various types of construction-related physical access violations alleged in the

1 demand letters and in the complaints, respectively, and shall  
2 tabulate the number of claims alleged for each type of violation  
3 in the demand letters and complaints, respectively. For purposes  
4 of this subdivision, ~~all types of demand~~ any demand for money  
5 letters shall be grouped as demand letters.

6 (b) Periodically, but not less than every six months beginning  
7 July 31, 2013, the commission shall post on its Internet Web site  
8 a list, by type, of the 10 most frequent types of accessibility  
9 violations alleged in the demand letters and in the complaints,  
10 respectively, and the numbers of alleged violations for each listed  
11 type of violation for the prior two quarters.

12 (c) The commission shall, on a quarterly basis, identify and  
13 tabulate the number of demand letters and complaints received by  
14 the commission. The commission shall further ascertain whether  
15 a complaint was filed in state or federal court and tabulate the  
16 number of complaints filed in state or federal court, respectively.

27 *SEC. 23. Section 18944.15 is added to the Health and Safety*  
28 *Code, to read:*

29 *18944.15. (a) Upon the publication date of the 2013 California*  
30 *Building Standards Code as adopted by the commission as part*  
31 *of the 2012 triennial code adoption cycle, for the purpose of any*  
32 *claim brought under Section 51, 54, 54.1, or 55 of the Civil Code*  
33 *based in whole, or in part, on an alleged violation of a*  
34 *construction-related accessibility standard, compliance with the*  
35 *building standards for disabled accessibility as provided in Chapter*  
36 *11B of Part 2 of Title 24 of the 2013 California Building Standards*  
37 *Code shall be authorized as an alternative method of compliance.*

38 *(b) Subdivision (a) shall become inoperative when the provisions*  
39 *of the 2013 California Building Standards Code become effective*  
40 *pursuant to Section 18938.*

1     (c) *This section shall become operative on January 1, 2013.*

2     (d) *This section shall remain in effect only until January 1, 2015,*

5     ~~SEC. 23.~~

6     SEC. 24. The Legislature finds and declares that a very small  
7     number of plaintiffs' attorneys have been abusing the right of  
8     petition under Sections 52 and ~~54~~ 54.3 of the Civil Code by issuing  
9     a demand for money to a California business owner that demands  
10    the owner pay a quick settlement of the attorney's alleged claim  
11    under those laws or else incur greater liability and legal costs if a  
12    lawsuit is filed. These demands for money allege one or more, but  
13    frequently multiple, claims for asserted violations of a  
14    construction-related accessibility standard and often demand a  
15    quick money settlement based on the alleged multiple claims  
16    without seeking and obtaining actual repair or correction of the  
17    alleged violations on the site. These "pay me now or pay me more"  
18    demands are used to scare businesses into paying quick settlements  
19    that only financially enrich the attorney and claimant and do not  
20    promote accessibility either for the claimant or the disability  
21    community as a whole. These practices, often involving a series  
22    of demand for money letters sent to numerous businesses, do not  
23    promote compliance with the accessibility requirements and erode  
24    public support for and confidence in our laws. Therefore, the  
25    Legislature finds and declares that it is necessary and appropriate  
26    to enact Sections 55.31 and 55.32 of the Civil Code, and Section  
27    425.50 of the Code of Civil Procedure to protect the public's  
28    confidence and support of the right to petition under Sections 52  
29    and ~~54~~ 54.3 of the Civil Code.

30    ~~SEC. 24.~~

31    SEC. 25. The Legislature finds and declares all of the following:

32    (a) Subdivision (h) of Section 55.56 of the Civil Code, as added  
33    by Section 11 of this act, is intended to address the misuse of  
34    Sections 52 and 54.3 of the Civil Code by a small minority of  
35    disability rights lawyers and plaintiffs. These lawyers and plaintiffs  
36    have alleged in demand letters and complaints that they were  
37    deterred on repeated occasions by the same violation of a  
38    construction-related accessibility standard and thereby assert  
39    multiple claims for the same violation without a reasonable  
40    explanation for the repeated conduct in light of the obligation to

1 mitigate damages. Their assertions of these “stacked” multiple  
2 claims for the same construction-related accessibility violation on  
3 different occasions are made to substantially increase the purported  
4 statutory liability of a defendant in order to intimidate and pressure  
5 the defendant into making a quick monetary settlement. The  
6 provisions of subdivision (h) of Section 55.56 of the Civil Code  
7 reiterate that where multiple claims for the same  
8 construction-related accessibility violation on separate particular  
9 occasions are alleged, a plaintiff’s conduct must have a reasonable  
10 explanation for the asserted need for multiple visits to a site where  
11 a known barrier violation would deny full and equal access, in  
12 light of the obligation to mitigate damages.

13 (b) Correspondingly, if there is a reasonable explanation in light  
14 of the obligation to mitigate damages for the need to make multiple  
15 visits to a site where a known barrier violation would deny full  
16 and equal access, a multiple claim for repeated violations of the  
17 same construction-related accessibility standard may properly lie.  
18 In addition, there ~~are~~ *may be* clear instances when the needs of a  
19 person with a disability and circumstances may make mitigation  
20 efforts impossible or futile in cases involving multiple instances  
21 of deterrence on separate particular occasions *where the individual*  
22 *has a reasonable explanation for the need for multiple visits to the*  
23 *same site.*

24 (c) Further, nothing in subdivision (h) of Section 55.56 of the  
25 Civil Code is intended to change existing law with respect to the  
26 fact that an alleged failure to mitigate damages is pled and proven  
27 as an affirmative defense.

28 *SEC. 26. The provisions of this act are severable. If any*  
29 *provision of this act or its application is held invalid, that invalidity*  
30 *shall not affect other provisions or applications that can be given*  
31 *effect without the invalid provision or application.*

32 ~~SEC. 25.~~

33 *SEC. 27.* The Legislature finds and declares that promoting  
34 uniform statewide compliance with construction-related  
35 accessibility requirements set forth in the federal Americans with  
36 Disabilities Act of 1990 (42 U.S.C. Sec. 12101 et seq.) and the  
37 California Building Standards Code is a matter of statewide  
38 concern and is not a municipal affair as that term is used in Section  
39 5 of Article XI of the California Constitution. Therefore, this act  
40 shall apply to all cities, including charter cities.

1     ~~SEC. 26.~~

2     *SEC. 28.* If the Commission on State Mandates determines that  
3 this act contains costs mandated by the state, reimbursement to  
4 local agencies and school districts for those costs shall be made  
5 pursuant to Part 7 (commencing with Section 17500) of Division  
6 4 of Title 2 of the Government Code.

7     ~~SEC. 27.~~

8     *SEC. 29.* This act is an urgency statute necessary for the  
9 immediate preservation of the public peace, health, or safety within  
10 the meaning of Article IV of the Constitution and shall go into  
11 immediate effect. The facts constituting the necessity are:

12     In order to avoid unnecessary litigation and to facilitate  
13 compliance with the disability access law, it is necessary that this  
14 act take effect immediately.
